

Mason Duane Trae Eiskant

January 30, 2005 - April 8, 2024

Mason Duane Trae Eiskant was born on January 30th, 2005, to Melissa Bullock and Duane Eiskant II. Mason spent most of his childhood in the Richmond and Culpeper area prior to moving to Alexandria, VA in his freshman year of high school. He graduated in June 2023 from Edison High School.

Mason tragically passed away on April 8, 2024, at his home in Alexandria, VA. He is predeceased by his mother, Melissa Bullock; his grandmother, Rhonda Sprouse; grandfathers, Mason Bullock, Duane Eiskant I and Mike Snead who passed away 3 weeks prior to Mason's death. He is survived by his father, Duane II; grandmothers, Eunice Snead and Angie Bullock; great grandmothers, Helen Eiskant and Peggy George; sisters, Lexi Wyatt (Chris), and Angelica Alley; brother, Michael Wyatt (Cassidy), and many aunts, uncles, cousins, nieces, nephews and other relatives and friends.

Mason's one love in life was working on cars. He had a 1995 Honda Civic that he probably replaced every nut and bolt in. He could always be seen working on his car. When he graduated from Edison High School, he went to work learning as much as he could about auto repairs. He loved going to drag races with his dad, going to New York every Christmas with uncle Danny, aunt Kelley and his cousins, and going to Myrtle beach every year to visit his aunts Laura, Jeanine, and Janet and spending as much time as he could with his

“granny”.

The family would like to extend our deepest appreciation for the outpouring love and support during this very difficult time.

“Mason, to say my heart shattered when i found out about you passing would be the biggest understatement. You were the kindest, loving, most gentle, funniest person i have ever known. You loved your family more then anything else in this world. You were the kind of person i push myself to be. There was never a day for awhile now that i ever went without getting an encouraging text or phone call letting me know you were proud of me and i was doing great. you were the kind of person i will never find again and with that being said i'm glad god gave me the chance to grow up knowing you. your time here on earth was cut so very short but you made it worth every minute. This is not goodbye, just a see you later
