“ *Two years has gone by so slow...I keep looking in Shoppers or go by Occoquan Park just to hear him chuckle or say Tina you're the best...online classes and countless books don't seem to help. I miss Matt each day. Love to all the family and friends it will get better just wish I knew when.*

“ *Who would believe it's been almost 2 years since Matt has passed away. My heart, soul and spirit knows he will FOREVER be a very big part of my life. Not just a big part because of his stature or the way he made an entrance into the room but, because he was a great kid. Matt will always be "My Boy" and I will forever be his Tina. Thank you to Debbi, Charles, and Chris for sharing him with me and my family. Love you guys and see you on September 24th, 2013.*

*“ I only met Matt through your stories, but feel your grief keenly and share your joy at having been family to such a marvelous young man. Special in so many ways...Hope that the holidays are not a time of grief, but rather a time of fond rememberances when Matt continues to be with you in spirit.*

*“ I was so sorry to hear of your loss. We were members of Abiding Presence and I heard the news through a prayer request. I can't imagine losing a son. You are in my prayers. Heather and Brent Andberg*
