

## Michael Joseph Buccino

April 15, 1956 - May 7, 2021

Alexandria, Virginia, passed unexpectedly on May 7, 2021. Beloved husband to Claudia Buccino; loving father of Michael, Elyse, and Ashley Buccino; grandfather of Luke and Lydia; brother of Robert, Michele, Barbara, Mary, Joseph and John Buccino.

Michael was predeceased by his parents Americo Buccino and Agnes Falkowski Buccino. He was born in Manchester, Connecticut, and graduated from East Catholic High School in '74. He later attended UCF where he studied accounting. He worked several years at Disney but most recently at the Gaylord National Resort and Convention Center.

Michael's family was his top priority. He made tremendous efforts and travelled to attend many family events. He was also an avid sports fan. He enjoyed the Raiders, Boston Red Sox but his favorite was UCONN women's basketball. He was an exercise enthusiast with a variety of daily workouts.

Mike and his daughter, Ashley, were huge advocates of breast cancer awareness. So in lieu of flowers, donations may be made to the National Breast Cancer Foundation or the American Heart Association.

“ *Dear Ashley,*

*So sorry to hear about your Dad. Take care of yourself and know that Cameron folks are thinking about you. It's ok to grieve and eventually you will enjoy remembering all the nice things about your Dad.*

“ To the Buccino family, I was so saddened to learn of Michael's passing. We went all through school together from 1st grade to 12th. We reconnected back in 2014 when we worked on our 40th class reunion. Michael and Claudia came up to Conn and met for dinner with my husband and I. Michael was such a caring and loving person and it just emanated outward to all those around him. I don't believe there are any words at a time like this that can ease your pain. But know that prayers are being said and love is being directed to your family.

*Peace, Heidi Lindberg*
