“ To the Family of Michael Chaikind, A WONDERFUL DR. We always requested Dr. Chaikind for all of my husbands many past surgeries. The Dr.'s @ VA Hospital knew NO Dr. Chaikind, NO surgery! My husband often comments on the fun and soothing manner of our dear guy. We learned of the news today and are both saddened. Our LOVE and PRAYERS will be with your family and all of the children. Fondly, Larry and Pamela Boltz

“ Will so miss dear Dr. Chaikind, one of the nicest, friendliest anesthesiologists I've ever worked with. I am so sorry, so sorry for his family, Dr. Rosenbaum and their children -- and for his Virginia Hospital Center family. How lucky we all were to work with him.

“ *To Michael's dear family, We are so sorry about this tremendous loss. Michael was a sweet friend and unpaid physics tutor to me as well as a dear traveling companion to interviews in college. We also had so much fun designing those physics and chemistry lessons for the elementary kids in Austin under Dr. Turner's watchful eye. I am sorry that I did not get to see you over these past several years, but am grateful that we were able to catch up when in Palo Alto when you informed us of Faye's pregnancy with Sarah. You are much loved and missed. Faye, Jeremy and Sarah, thank you for sharing him with us. Love always, Sarah Kim and Mark Mason, Matthew, Avery and Kylie*
