“ *Dear Mrs. Myatt. My deepest condolences go out to you and Mike's family. I met Mike at the Adapt Clubhouse, as I am also a member. He was hard to understand at first, but was a lot of fun when you got to know him. My fiance Gary also met Mike at a luncheon and they both talked about their love for the same music. Gary also had a chance to talk to you Mrs. Myatt at the last Thanksgiving lunch at the clubhouse. Please accept our thoughts and prayers for your loss.*

“ *Mrs. Myatt and family, We will all miss Mike so much. Mike and I go way back, met him in the early 80s when I started working at Mt. Vernon Hospital. It was easy to become very good friends with Mike. One of the best days I ever had and will never forget was when we went fishing out of Haterras to the Gulf Stream (so many fish, not enough room to bring them all back). Mike and I played volleyball together for many years and I enjoyed being with Mike all the time, never a dull moment. I will miss him tremendously. My family sends our condolences and prayers to you, your family and Mike's family. Love ya Michael. Tony Tallant P.S. When you see Carol, tell her we love her and miss her.*

“ *My deepest sympathies go out to the entire Myatt family. Mike was always a great friend and a dear person. I truly enjoyed the fun times we had with our friends. From house parties with friends and family where the girls did their best Michael Jackson moves, to hearing our favorite bluegrass bands, we all always had a good time. I still remember Mike trying to decide what he wanted to be "when he grew up" and how excited he was to start working at Mt. Vernon Hospital. My heart is heavy, but I am glad that he is with God and is whole again. God bless you Mikey.*

“ *Michael we grew up together in Bucknell Manor, went to school together all the way through high school. You became a very special friend to our family and we loved you dearly. Buddy and I will miss you but know that you are now free from the disability and can now run with Morgan and Michael Jr. I know you will be showing everyone up there how to play volleyball. We will meet again someday my friend. Buddy and I also want the family to know that you will be in our thoughts and prayers and will be here for you if you need anything. God Bless the Myatt family.*

“ *My heart breaks for Mike's family and my prayers are with you all! I am also a childhood friend of Michael's, we spent many of fun times exploring the neighborhood and testing our boundries trying not to get caught doing things we knew better than to do but what fun! Most every memory I have from childhood has the Bucknell gang involved. Such a great group of kids and not a better place to grow up at during the time. Rest in peace Michael, you so deserve the serenity.*

“ My deepest condolences to Mike's family. Mike and I dated my Senior year of high school and also worked together at Mt. Vernon Hospital Radiology Dept. He also spent time with my family at costume parties and outings. My favorite memory of Mike is one April Fool's Day Mike and I and another couple dressed our car up as just married and got fake rings and then went to Kings Dominion. That was a fun day!!! You will be missed Mike by so many people. Hugs!!!

“ Please accept my sincere condolences for your loss. As a child/young person, I lived in the Bucknell Manner area (on Davis Street), which was only around the corner from where Michael and his family lived. It seems like just "yesterday," but only in my memories. I lost touch with Michael after High School, but I never forgot him. God Bless You All. (Deborah.Perry@USPTO.gov).
