“ *To the Cio Family. We worked with Michelle as a Hitachi Distributor. She was a very intelligent lady that was fun to work with, at trade shows. She will be missed. I pray for her and her family. I was so sorry to hear about this. God Bless all of you.*

“ *To the entire Cio family. Daren and I were extremely saddened to hear of the news of Michelle's passing. Although we haven't seen her in quite a few years, it is still shocking to hear of someone so young and full of life be gone in such a tragic way. We are continuing to pray for your family and hope that you find comfort knowing you now have another angel watching over you. May she rest in peace.*

“ *Dear Cio family, Michelle has left a ton of great memories to all of us. How in the world could we forget such a loving and beautiful soul? My heart is shattered to see her gone. But that is just temporary. Sooner or later, we will see her in heaven. That's the sweetest hope we can bear right now. May her soul rest in peace. Our thoughts, prayers and love are with all of you.*

“ Dearest Cio Family..... The World is a much sadder place without Michelle here. She was a work colleague, but really more of a friend... She knew everything about my life and my family, and was such an inspiration to me. At every lunch she had a smile, or something positive to say. She never had a bad word to say about anybody. Michelle was an inspiration to all, and a warm, thoughtful, loving woman, who will be missed so very much. Take care of each other, and know that she will always hold a special place in my heart

“ To Michelle's family,
Michelle was a colleague and friend of mine at Hitachi. She was warm and outgoing to me from the day I joined the company. We had shared some fun evenings together, laughing over dinner at my home. She was so bright, caring, thoughtful and energetic. I admired her constant drive to do more, see more and accomplish more at every turn. She met every challenge with humor, creativity and style. My heart breaks for your family. I will miss seeing Michelle in the office and know that all at Hitachi feel the same way. My thoughts and prayers are with you during this very difficult time.
