“ I lived next door to Mike for ten years. He was a great neighbor and always happy to help, give advice about the house, or just chat. One could not ask for a better neighbor. He will be sorely missed. May he rest in eternal Peace.

“ Baby, for 57 years you have been my life, my protector, a wonderful husband, father and grandfather. Life will never be the same without you - you were such a powerful force in all of our lives. You fought soooo hard to live, but I guess God felt he needed you more. I know it's not right, but I disagree. I just know you're in a peaceful place now. No more medicine, no more needles, no more being woke up in the middle of the night to take medicine - just peace. My heart wanted to keep you with me forever, but my head said I had to let you go. My heart is broken. I miss you so much, but now maybe you can sleep peacefully. No one will ever take your place in my heart. I love and miss you so much. Sleep peacefully my baby.

“ Mike, I loved you like a brother. I will miss you and your goofy ways. I will always remember the fun times you, Patti and I had. I am heart broken that you were taken from us too soon. Rest in peace dear friend. I love you.

“ Mike, they say you never stop learning, and you taught me a lot in our trade. Respect,determination, and how to get the job done. Just wish this job wasn't over. You were a mentor and a friend, gonna miss you answering the phone when I had a question, or just to BS. You seemed to always have an idea or answer to fix whatever screwed up work things we got into. Rest peacefully my friend.....you will be missed

“ Mike we all miss you so much. It is hard to believe you are not with us anymore. Life without you will not be the same. You were a fighter to the end and I guess God had another plan for you in heaven. You are now reunited with your parents and your brothers and sister. We love you, Sandi & Chuck Barton
