“ In loving memory of Mr. Milton — “Punkie”

What a remarkable man and what a beautiful life well lived. Mr. Milton touched so many people with his kindness, his humor, and his gentle spirit. To Karen and Murray, I am so deeply sorry for your loss — your father was truly one of a kind.

He was not only an amazing father to you both, but also a man who welcomed others with open arms, including me. I will forever cherish the wonderful camping trips I took with your family — some of my happiest childhood memories. Those times shaped my heart in ways I still carry with me.

I will never forget his quick wit and playful sense of humor — especially the way he'd tease himself about his “skinny legs” and break into his silly chicken dance. It was absolutely hysterical and so endearing. But what I remember most is his constant smile and his beautiful sparkling blue eyes that lit up whenever he laughed or looked at his family.

The love story between him and Mrs. Milton — high school sweethearts married for 69 years — is something truly rare and inspiring. Their devotion to one another is a legacy in itself.

Watching the memorial video, it was so clear how deeply he adored his family and how deeply he was adored in return. His love, joy, and laughter will live on in all of you.

*May his memory always be a blessing, and may your hearts be wrapped in comfort during this difficult time. Lots of love to you all,
