Trust in God's Plan

It's hard to understand

Why God takes those we love.

Does He need them more than we do,

In Heaven up above?

No one on earth can pretend

To know what's in God's plan.

All we can do is take it on faith

And trust we'll see our loved ones again

“ *Dear Family, I'm so sorry to hear of the loss of your loved one. My sincere condolences to you. May you think of the many beautiful memories that you shared with Nancy, and cherish those precious moments. May the God of all comfort caress your heart with his living promise to one day reunite you together again in the future paradise mentioned at Revelation 21: 4,5. Our Dear Heavenly Father Jehovah (Psalms 83:18)knows the many tears you cry and he will sustain you if you let him. I was thinking of you and hoping that you can find comfort during this difficult time.*
