“ *"Little Yellow Head"....our little "joke" that you managed to bring up just about every time you saw me...and DID you ever giggle. My beloved "Auntie Name"...all I have been able to see, in my mind...as I have been reminiscing over SO many years of memories, is Mom waiting for you with hand extended...you and she walking hand in hand, in Heaven's MOST beautiful flower gardens. You are "home" with your loved ones again. I know that no matter how perfect life is in God's kingdom...I know there had to be a void in their hearts, until the day you came to join them again. Rejoice, in your new healthy Heavenly body, with no more suffering and pain. I give you my word, that I will do all I can, to make sure that those amazing four children of yours...my beloved cousins, will be okay. I miss you from the depths of my heart...and I will NEVER forget you..and what you meant to be. Until that day...when I see you again. With all my love... Your niece, "Little Bill". “ *Dear Naomi - I remember you from Class of '45,FHS, Fairfax, VA. I was a new student (Sophmore) when you were a Senior. I thought you were so tall & skinny. Your beautiful medium/reddish-hair was such a "striking" sight in the halls of good ole FHS. I have many fond memories of our "get-togethers" after I married your brother, Elmer. Such fun times we had! Your children gave you a wonderful surprise 85th birthday celebration last year. And now . . . we miss you as we say goodbye walking down life's pathway without your presence. Have a great journey sister-in-law. Love & Shalom Betty*

“ *My Dear Sweet Aunt Naomi! I have a huge empty place in my heart knowing that you are gone. However, I also have a sense of joy knowing that you are now with Aubrey and all of those you love who have gone before. You no longer have to deal with the burdens of this old world. No pain, no suffering, no worries. Like Grandma, your Mom, you were truly a loving and saintly person. Although we will miss you terribly, we now have yet another reason to look forward to eternity! We'll see you again, farther along!*
