Natalie grew up in Petlikowce Stare Poland (now Ukraine) as a farmer and daughter of an ex-Army MEDIC and town leader. She was enslaved by/in Germany in 1942, and remained there as a politically persecuted refugee completing a 3 year seamstress apprenticeship, meeting her refugee husband, and working for the US Army. “ I didn't have the pleasure of knowing Mrs. Mieszczanski, but having personally experienced the awful sting of death and the grief that comes with losing a loved one, I wanted to send my sincere condolences. May the cherished memories of your loving mother, grand, and great grandmother comfort you as you look forward to the fulfillment of John 5:28,29 when you may be reunited with her again.

“ I will most miss Babcie's kind, loving, and caring nature. Her always giving kisses, most recently through FaceTime because of the distance, and saying she loved me. The silly faces she would make. Her honesty no matter what. Babcie was a strong-willed woman who came from Poland and raised a family with my Dziadziu. They worked hard for the legacy they made and left behind. Babcie will be greatly missed by all who were knew her. I know she's at peace now, celebrating with my Dziadziu as she enters her eternal home with Jesus. I know the Angels are singing loud. I'm thankful to have spent one last day with her two weeks ago❤️ Eternal rest grant to Babcie oh Lord, and let perpetual light shine upon her. May she Rest In Peace. Amen 🙏
