“ We will miss you tito ninong orviel. I have a lot of fond memories of you especially when you come home to the province for holidays. Sadly, I don't have any photos that would reveal the joy and share the laughter that we had with the relatives and friends. I will always remember the stories that you've shared during your younger years in the province with my mum and aunts, on how you surpassed every struggles and pains, and on how proud you were of them and how successfull all of you have become. You've shared a great deal of lessons to me particularly when it comes to life and to always follow what I love to do. Though your in the States you never fail to asked us on what was our status in the philippines or updates on our relatives. In return you share your week experiences in work and sometime on what is happening with my cousins. I remember we started the email chat in 2007 and the last email that i received was on 2017, All were good conversations. I never met my cousins, with the exemption of Janeal, I know they are lovely and wonderful individuals, and I hope to meet them oneday. You are a good father and a good provider to them tito ninong orviel and I am sure you are proud of what they have become. Surely you will be missed. Thank you and we love you. You are now in God's kingdom with tita Julie and lola. Rest in Peace.

“ I will always remember his infectious laughter and his tales of travels and funny experiences. He was a fascinating person . Behind the laughter there was a quiet deeply devout and caring man, who put his family and friends first. A wonderful cook if you had the pleasure.

“ It is with a heavy heart that I write this memory letter to my Uncle. He was my one and only Uncle, the best one anyone could ask for. He was like my father to me, giving support and advice when I needed most. He was always ready to help out to those in need especially to our family, relatives and close friends.

My unforgettable memory with my Uncle was when he's spending some quality time with my Mama Lola Peling and Mommy Fe. Uncle Boy and Lola Mama share the same trait that I really admire, they are very hardworking people and despite the struggles they've been through they are very resilient and to give everything in what they do.

I will surely miss our bonding time here in Ph with Howard and manong Boy Puti. Those times when we were just hang out with Manong Boy Puti's place just eating his favourite food like sinugba and kinilaw while having endless chatting about their happy days in Roxas. During those moments made me realized that regardless of how successful he is in his career and life, he still go back to his old simple life where he used to be.

If I could have one wish right now, I would wish that my daughter Zane could spent some time with my Uncle. All I can do is to tell her those amazing stories about her Lolo Boy. How he managed to make everyone around him laugh their heart out just hearing her unique laugh.

We did not expect this. So soon. But our Lord God knows what's best. May our Lord God comfort, sustain and guide his children now and always.

Rest in peace Tito Boy.
