“ Dearest Pam, I will miss your smiling face and laugh so very much... I have known Pam as a friend and co-worker for over 30 years. We have shared many of life's pleasures and tragedies, always being there for each other no matter where we were in our lives travels. My last conversation with Pam we talked about our long friendship and even though we did not talk or visit as often as we should have, with each meeting it was as if time stood still, never a lull in the conversation, and always a laugh over a glass of cheap wine! To the family, my thoughts and prayers are with you all.

“ I worked with Pam over the last 3 and a half years. She was a pleasure to work with and I will always remember her smile, laugh and influence in my life. She was devoted to MWR and their customers. I truly am sorry for your loss and you are not alone in missing her. The sky is just a little bit less blue and the sun is just a bit dimmer without her here. Please find solace in the fact that she is with God now and may the Good Lord hold you in the palms of his hands and comfort you in your time of loss.

“ *My heart is sadden by the loss of such a dear friend and employee, Pam Boyer. Pam is a special person with a big heart in which I realized in the last 10 months - same amount of time that I have known her. I will miss our conversations and her wonderful smile. I truly felt her respect, loyalty and support in helping me do my job. What a wonderful Lady...I will miss her terribly. I take comfort in knowing that she is with God and is smiling down on us.*
