“ *Dear Katie and Lenny,*

The Cosumano family is saddened to learn of Chuck's passing. What wonderful memories I have over the years. The many visits over the years as my family was growing up and watching you, Katie and Chuck devoting the younger years of your life to service of our Nation in the Air Force and later Chuck working for the post office and you and he dedicating yourselves to the service of the Church. What a great Patriot, husband and father.

On every visit, the conversation was full of what/how is Lenny and then Bobbi and Lenny doing. Of course there was always great Italian food and stories of Shreveport and Bossier City about our mothers and fathers.

We will miss his ever present smile and know that he cares for you all from above !!

God Bless
