“ I was so honored to be Pat's team leader for Avon. She loved and cared for each of her Avon customers as if they were family. She was an awesome representative and a good friend. I will miss here, indeed until we meet again.

“ I remember Patty from working at APD. She was a true gem and a delightful woman. I could be having a not so great day, but once I saw her and she smiled and said something funny, my frown immediately turned upwards. I would look forward to going to the Property Room, knowing she would be there. My Sincerest Condolences to her family and friends 🙏

“ Pat was a beautiful lady! We worked together at APD and she was the most kind and giving person I had ever met. Her laugh was infectious and she always had a smile on her face. She will be missed by her family and friends. Prayers to comfort them during this difficult time.

“ Our deepest condolences to the family of our beautiful Pat. We knew Pat through the retired Alexandria police association. She always had a funny tale to share and her laugh was infectious. She had been through so much over the years but never complained  
You will be truly missed but angel Pat the pain is now gone.
