“ *Patsy was the de facto chief kitchen volunteer during my time as Food Service Coordinator at First Baptist Alexandria. Needless to say, all of the many food events would not have gone so well without Patsy. Sometimes there would be an event that I was not able to attend and Patsy would be in charge of the presentation. She would ask me how I wanted things to be done. I would tell her and then say that since I wouldn't be there to see it, I wouldn't know if she followed my ideas or not. And she would answer that she was planning to do it her way anyhow! But we got along very well. She was a dear friend. She couldn't help talking about her family and how proud she was of Matthew and Mark.*

“ *To Patsy's family, whom she dearly loved: Patsy was a delight to know, and Cecil and I are blessed because our paths had crossed hers in Spotsylvania. It was good to talk with her a few weeks ago and pray with her over the phone. We know that she is having a wonderful time in Heaven with Jesus and the loved ones who went on before. May God comfort you with sweet memories of a life well-lived, serving the Lord she loved. You are all in our thoughts and prayers.*

“ *Our sympathies to the family. She will be greatly missed by all. Patsy and I had a great time talking when my husband would go over to help her with with minor TV reception or wiring problems. Our whole neighborhood appreciated her hospitality when she shared her home for annual association meetings. I will remember always her infectious smile and bubbly personality.*

i feel like I have lost a dear friend and God has received one of his most precious back home. I know Patsy will be reunited with those she loved so much. She was a wonderful neighbor and such a joy to visit for long chats. Never wanted to "bother" anyone for anything including Sheilla who loved being with her Mom. Rest in peace my dear friend.

Condolences to Mrs. Sheneman's family. We are so saddened by her passing. She had the best sense of humor, and always reminded us of Mrs. Santa Claus. She dearly loved all of her family, and we enjoyed all of her stories. We will miss her dreadfully. Theresa Crawley DDS and Staff
