

Paul Richard McManimon

February 25, 1930 - March 8, 2021

Paul Richard McManimon passed away peacefully on March 8, 2021 at the Charlotte Hall Veterans Home. He was born to William and Charlotte McManimon in LaCrosse, WI on February 25, 1930. Paul grew up in southern Minnesota and served in the Army from 1951 to 1953. In 1952, he married his high school sweetheart, Marjorie Anita Rye at The Mission of San Louis Obispo near where he was stationed in California.

Paul and Marge lived an adventurous life and made many friends in the states where they resided which in addition to Minnesota, included California, Colorado, Utah and Maryland. Paul's career was centered on automotive parts at both dealerships and as a distributor. In the late 1970's they owned their own automotive parts business in a beautiful little town in the mountains of Colorado, Buena Vista. They enjoyed skiing, snowmobiling, fishing and spending time with family and friends.

After their move to St. Leonard, MD in 2001 they became active members of their community. They volunteered at the local hospital, participated in activities at Southern Pines Senior Center, and attended our Lady Star of the Sea Catholic Church. Paul served on the Calvert County Commission on Aging for two terms, volunteered as a driver for Partners In Care, and was a fundraiser for the Alzheimer's Association. He also worked part-time at Flag Harbor Marine Services and truly enjoyed interacting with all the boaters and

fishermen.

Paul always had a smile and loved a good joke - up until the very end.

He is preceded in death by his loving wife Marjorie, son Frances, his parents, his brother James McManimon, his sister, Sister Frances de Sales McManimon and sister Eleanor Carlson.

He is survived by his daughter Teresa Dyer and her husband Curtis Dyer of Alexandria, Virginia, grandson Marshall Dyer (Becca) of South Lake Tahoe, CA, granddaughter Brittany (Gilbert) Dyer of North Fork, CA and many dear cousins, nieces and nephews.

In lieu of flowers, the family requests that contributions be made to Calvert Hospice at P.O. Box 838, Price Frederick, MD 20678 or www.calverthospice.org

Interment of his and his wife's ashes, in the Columbarium at Arlington National Cemetery, will occur at a later date.

“ Dear Teresa and Curtis,
So sorry to hear of Paul’s passing. So many great memories of him as a ‘Man for all Seasons’, an adventurer, with his trusted co-pilot, Marge. Not afraid of new conquests, he established ‘Woodstock of the West’ in Buena Vista, where the college kids could camp, float the canal, and access their house only by snowmobile in the winter! In Denver, Minnesota, and the DC area he was surprisingly ambitious, industrious and, subtly, the life of the party. That was because he enjoyed learning new things, ways to live and mostly because he was truly interested in every person he met. He made you feel like you were the most important person in the room. And that smile! Nothing like it to warm up the place!

Two of our favorite memories of he and Marge- the St. Pat’s parade in Denver where we welcomed Teresa home with a float upon which Paul and Marge were some of the rowdiest, wearing green garb, drinking green beer, and cheering on the El Jebels! Will also never forget the body-size freezer they willed to us, keeping us stocked with quarters of beef and frozen food deals for a lifetime. It was still ticking when Xcel hauled it away, decreasing our electric bill by over \$5/mo. J A third memory Brian will have to share offline, RE: his Bachelor party.

Paul was truly a dad and friend to us all. Nobody could love a daughter and her friends more and vice versa. We will miss him but are so grateful for so many good times with him. And we know he’s raising a raucous with Marge, Ralph and Ginny as he did on earth, as it is in Heaven. With both Paul and Marge as your guardian angels, you guys better really behave now.

You’re in our hearts and prayers. Love always,
Brian and Paula

“ *We are so sorry to hear of Paul’s passing. We were fortunate to know him for the past ten years or so. Paul lived in the veterans home only a few miles from our home and we last spoke with him on his birthday just a few weeks ago. Paul joined our dinner group of bereaved spouses not long after Marge passed and we enjoyed his company at and on the way to and from the monthly dinners. We were privileged to have Teresa and Curtis join us on several occasions. Sadly, Covid brought our dinners to a halt so we last saw Paul a year ago. We exchanged phone calls with him since then and found him most enjoyable to chat with. Paul will be sorely missed.*

“ Paul & Marge were so kind to show me the ropes of Maryland living when I moved here with Charlie in 2006. Paul and I bonded over our trips to Mr. Tire and chatting over a gin and tonic. As my family grew, Uncle Paul was always a highlight for my girls at holiday gatherings and birthdays. We will miss his humor, love and warmth.

Paul was one of the nicest, kindest people I ever met. Always smiling. He helped me for years at Flag Harbor and you had to force him to take money for it. Paul never asked for anything and the nurses at Charlotte Hall loved him. He will be greatly missed by a lot of people.

I feel so fortunate we got to visit Paul a couple summers ago. We had a great time talking about Oak Ridge, and all the McManimon families. Paul told me that as a young man, he and my Dad worked for Nash building cars in Milwaukee. I never knew that. We will miss him. Deepest sympathy to Teresa and family. Wishing you peace, and strength through the many happy memories of your Dad.
