“ *Laurina and Family,
We were in Florida when we heard about Paul. We are so sorry and know you are in our thoughts. We loved our trips and visits with Paul and you throughout our 35 years with the Post. His gentle manner and smile will always be with us.

“ *The good times we had at QW functions; the times we were guests in his home; the laughs, the camaraderie,....Paul belonged in the one special category that some men never achieve:...he was a gentleman..but also a gentle man. Any thought of you will bring a smile to my face and a lift to my heart.*

*“ Paul was always one of the upstanding honorable gentlemen at The Post. It was a pleasure to know him and to work with him for many years. A kind man and it was wonderful how quick he was to laugh. Our deepest sympathy to your family - we know how much he will be missed.

“ *My Uncle Paul was a generous and kind-hearted man who loved his family dearly. He was always there to support his children and grandchildren. I can't recall a single family event without seeing him there and opening up his home to everyone. He will be truly missed by the whole family.*
