Loving husband of 52 years to Patricia O'Connor Shaver; devoted father to Elizabeth (John Blair), Paul Francis Shaver III, and Jennifer (Andrew Graser). Paul was born in Bridgeport, Connecticut on June 6, 1941. Paul obtained a Master's Degree in Organic Chemistry from Boston College where Paul and Pat met. Paul was employed for 37 years as a Patent Examiner in organosilicon and organometallic chemistry at the U.S. Patent and Trademark Office.

Paul had a larger than life personality, was wickedly funny and incredibly versed on any subject. His greatest passions were his family, his friends and his NY Giants. Paul was an avid reader, a gardener, loved to cook, and travel the world with friends. Paul spent many years as a volunteer travel soccer coach for all three of his children's teams. He rarely missed one of his grandsons' many sporting events and took great pride in all of their accomplishments.

In keeping with the wishes of the deceased, no services will be held at this

time. A celebration of his life will be held at a later date. In lieu of flowers, the family requests that donations may be made in Paul's name to Fairfield College Preparatory School ([fairfieldprep.org](http://fairfieldprep.org), email: [development@fairfieldprep.org](mailto:development@fairfieldprep.org) or 202-254-4237

“ *I will always picture Paul in the kitchen creating a meal to remember. It seems Heaven's angels called early to share such excellent cuisine and to be regaled with entertaining stories like none other. We will miss you; but our memories remain to comfort us and bring smiles as well. Rest in Peace, Paul -- or at least try. You've earned your stars.*
