

Paula Ann Lautzenheiser

October 29, 1941 - June 29, 2024

With profound sadness, we announce the passing of our beloved Paula Ann Lautzenheiser, who left us on June 29, 2024 in Arlington, VA.

She is reunited in peace with her sons, Thomas Garrett Keane and Stephen Lodowski, her siblings James, Katherine, Martin, Claire and Kevin, and her husband of 33 years, Marvin Lautzenheiser. Her spirit continues on in the lives of her loving family, including her son James, grandchildren Christina and Michael, daughter-in-law Terri, three great-grandsons, and countless dear friends who were blessed to know her.

Paula was born to Ignatius Keane and Anna Rover of Cheverly, MD on October 29, 1941. A loving mother of three sons, and a devoted grandmother and great-grandmother, she found her passion and purpose in taking care of those she loved. Professionally, she took great pride in her work as a paralegal in the Maryland court system and at prominent D.C. law firms. She also loved travel, laughter, and her beloved dogs, Buddy, Katie, Poppy, and Buttons.

She was the epitome of selflessness, patience, understanding, and unconditional love, touching the hearts of everyone she met. Her legacy of love and generosity will continue to inspire all who knew her and keep her memory alive.

We will be celebrating her life with family and friends on Sunday, July 7th 2024

from 10:00am to 12:00pm at Beall Funeral Home (6512 Robert S. Crain Hwy, Bowie, MD 20715), followed by a burial at 12:30pm at Lakemont Memorial Gardens (900 W Central Ave, Davidsonville, MD 21035)

In lieu of flowers, please consider making a donation in memory of Paula to the Animal Welfare League of Arlington (awla.org).

“ I met Paula and Marvin when they came to me to groom their pups Poppy and Buttons. They were the kindest and loving people and loved their pups. When they asked if I would adopt the girls if and when something happened to them I felt honored to be asked. In their honor my husband and I have welcomed the girls into our family and we will love and care for them until they are reunited with Paula and Marvin.

DR

Paula was one of my best friends for over 55 years we worked in the court system together. We shared an apartment together and we made so many memories together. My future husband George Burgess introduced her to Marvin on a blind date and it was almost love at first sight. It breaks my heart that we will not be able to share our golden years together as we had planned. I could go on forever about so many things but it will only make me sadder. We will be together again. I love you my dear friend and see you soon.

“ Paula was married to my very favorite uncle, and I couldn't be more happy that they found each other. I fell in love with Paula the first time I met her. She is all of the things that have been written about her. I miss her already.
