“Peggy and I started in elementary school at Groveton together, along with Penny. We remained friends through high school, and did not get to see each other again until the Mt. Vernon H. S. alumni group started meeting for luncheons and picnics. It was so good to resume our friendship. I am saddened that the two of them will not be with us in person, however, they will be there in spirit. We all will miss them. Blessings to the family of two wonderful people. Sarah Baggett Daniel
