“ We were so blessed to live very close to Peggy and John. We are still in disbelief she is gone. Honestly words fail me trying to share what she meant to us. how she touched our lives, and how we shared many stories and laughter together. I treasure those moments. I imagined Max and Mimi greeted her, as well as O'Malley, Messina. and Luna. She would love that.

“ I am one of Peggy's neighbors in Kingstowne. Always enjoyed seeing and talking to Peggy out in the common area by our homes while letting the dogs run and play, or chatting with her as she attended to her beautiful flowers out in her front yard. She was a wonderful, kind friend and neighbor who has left an obvious void on our end of the street and in our lives. Am so grateful for having had her long-time friendship, as well as the good times we shared laughing and chatting in "the hood." She, along with her beautiful smile will live on in our hearts. God bless John and the entire family during this difficult time.
