“ *The Bible at Psalms 90:10 says The days of our life are seventy years, or perhaps eighty, if we are strong. Ms. Stroud’s strength lasted 91 years—many years of memories to share with friends and family. Still that is not enough, is it, for that does not compare to the promised eternal life (John 3:16). This is a reality for Jesus resurrected Lazarus who had been dead for 4 days. So Jesus will remove the bars holding those in the grave, just as he commanded that the stone be removed from Lazarus' tomb. Jesus will bring back to life those who sleep in death just as he did for his friend Lazarus (John 11:39-44). Now picture the happy reunion when friends and relatives embrace Ms. Stroud again! (See jw.org). May your hearts find comfort in the wonderful hope found in the Bible, your family, friends and fond memories. My sincere condolences to you at this time.*

“ *I am so sorry for the loss of your dear loved one. There is a very comforting scripture found at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can look forward to a time when death will be done away with forever. I hope that this scripture can bring some comfort during this time.*
