“ *I had no idea Rhonda has passed away...wow its odd how I got in touch with Ronnie today and asked to get in touch with Rhonda just a day before the 13th. I am sorry for the loss of Rhonda and Ron. Our families knew each other from way back when. I was lucky enough to become friends with Rhonda and Ronnie on their trips in from Virginia. I had moved away and lost touch with Rhonda and often wondered how she was over the years. Rhonda..you and I a few good times when I lived with Deb and so forth after. Many joys of laughter and laughter that caused tears. Memories of those times had brought me laughter and people would wonder what I was laughing alone at....if they would have only known. I will always carry you around with me as I have all this time. So walk with me as I will walk with you.....you walk by faith, not by sight.....As in Footprints in the Sand...be my additional co-pilot. Luv U Rhonda....Lori A DeLawder-Statts*

“ I did not know Rhonda very well but I know and adore her daughter Taylor and her Mom and Dad. After spending so much time with the family this past week and seeing so many photos I know that Taylor is a mini version of Rhonda. It's difficult when a parent has to bury a child that is not the circle of life. But Rhonda's laughter, smile and most of all her heart will live on in Thomas and Taylor Grace.

“ Rhonda took me from a redneck tomboy and turned me into a girl. She showed me how to dress, fix my hair, and put on my makeup. She had a strong outward personality with a big warm heart. She used to call me crazy, but man she used to make me laugh. I love you Rhonda, may you find peace in God's arms. My heart goes out to her family and children.

“ So go and run free with the angels Dance around the golden clouds For the lord has chosen you to be with him And we should feel nothing but proud Although he has taken you from us And our pain a lifetime will last Your memory will never escape us But make us glad for the time we did have Your face will always be hidden Deep inside our hearts Each precious moment you gave us Shall never, ever depart So go and run free with the angels As they sing so tenderly And please be sure to tell them To take good care of you for me

“ *Death is nothing at all I have only slipped away into the next room I am I and you are you Whatever we were to each other That we are still Call me by my old familiar name Speak to me in the easy way you always used Put no difference into your tone Wear no forced air of solemnity or sorrow Laugh as we always laughed At the little jokes we always enjoyed together Play, smile, think of me, pray for me Let my name be ever the household word that it always was Let it be spoken without effort Without the ghost of a shadow in it Life means all that it ever meant It is the same as it ever was There is absolute unbroken continuity What is death but a negligible accident? Why should I be out of mind Because I am out of sight? I am waiting for you for an interval Somewhere very near Just around the corner All is well. I love you my sweet sister.. you will forever be in our hearts... I will always see your beautiful smile in the faces of your children.. I hope you knew how much you were loved..*

*“ My beautiful neice, I am going to miss you so much, the good, the bad, the angry, the laughs, the crys, and the special bond we held. Most of all your laugh. This little prayer has been going through my head since I woke up the morning, and now I am go to say it just for you. Now I lay me down to sleep, I pray the Lord my soul to keep, and I if should die before I wake ,I pray the Lord ,my soul to take. I love you girl, and I know God has taken you home to keep you safe, so you look down on me now and then, and let me know all is ok, I love you! and I am going to miss yo so much.*

*“ Rhonda and I were best friends in school. We have had a lot of special memories, that I will never forget. Rhonda and I haven't seen each other in years. I regret that the most. We both went our separate ways. Making a family for ourselves. Not saying I didn't think about her a lot and then one day I found her on Facebook. Rhonda has an awesome family, that loved her so much. Her family was always special to me. I love you Carol. I want to remember her for who I knew and loved. Rhonda will be thought of every single day. I will miss her deeply. Carol, you and your family are in my prayers.*

“ Many years have come and gone. I remember the birth of Thomas. The wonderful new mother you were to him. When you brought him to me of a morning and picked him up after work - the bond between the two of you was great. Then came Taylor, the beautiful little girl princess. To be feminine like mommy. We all had happy and sad days but through it all we still had love for one another. We will miss you Rhonda. And you will never be forgotten. Our heartfelt sympathy to Thomas, Taylor, Doug, Carole and Ed and other/extended family members. We will keep you in our prayers. Love, Robin, Bob and Margaret Sawitski Robert, Lisa, Clay and Waylon Sawitski
