“ It was such a pleasure meeting you the other day, though its been years that I've known you and Ricky...He will be sorely missed! Please stay in touch Stacy...I have your number and I wont let you downYou and leia will need to be strong for each other at different times to grieve when you need to. NO ONE can tell you when to or not to cry ...even Jesus Christ cried when his friend passed away(before God gave him the ability to resurrect him back to life on earth).Dont forget to read Acts 24:15 and Revelations 21:3-5 when you get time...I can help you understand those two scriptures if you want it. You may find fresh air helps with grieving and when your sad or anxious...Leia too
