“ *Diane,*

*I am in stun. My love goes out to you though I have to admit my head and heart are doing flip-flops trying to imagine how you are going through your days putting one foot in front of the other. I know that Chris and Gerri are helping each other as they watch you struggle to cope. You are going to make it through this loss. It is only because you were so blessed to have shared love with Chris in this life that you can miss him so much. I am here for you if you need me. Love - Ellen*

“ *Diane, My heart goes out to you in this extreme time of pain. Chris is a awesome man, funny, fun, happy, always joking and the two of you look so in love, I could see it when he'd look at you. You are very loved by all of your friends and we are all here for you, anytime day/night. You two had a rare and special bond, remember that as not everyone gets to experience it, so in this way you are so lucky and blessed. Love you so much honey.*
