“ *I want to express my sincere sympathy for the loss of your loved one. You can be assured that comfort and hope are found in the pages of the Bible. Revelations 21:4 tells us of the time when pain will be no more. What a wonderful hope for us all. Please take care of yourselves.*

“ *Richard was a warm, caring beautiful man who I knew for my entire life. We all loved him so very much as well as the entire Huberman family and we are thinking about Barbara and David and Laura and their families now and always. In 41 years, I not once can remember Richard without a little smirk/smile on his face and will remember him as the beautiful person that shared so much with so many through his personal and professional life.*
