“ *To the Rehmann Family, I worked with Richard on several projects at the Pentagon. The most memorable was the Center Court Yard Cafe'. He was a delight to work with. He went above and beyond the call of duty to make things happen on any project he worked on. He will be missed by all of us. May God truly be with you during these trying times.*

“ *It brought great sadness to hear about Richard. Through the years there are just a few who through their genuine nature and shining personalities convince us that "what you see is what you got". I knew him from the many Pentagon projects that he worked on even though we only worked together on just a few. Some times we just ran into each other during a smoke break, other times we just took a deliberate moment to "Shoot the Breeze #*#". Looking back, we were pretty good at it. Richard, "he was a friend of mine". In this time of great sorrow may God grant you peace.*

*“ Truly a shocking and tragic loss. Richard will be missed by many but never forgotten. His newly discovered passion for sportfishing was a welcome addition to the Vantage Point community. To the Rehmann family we express our deepest sympathy during this difficult time.
