“ *Dad 2, I will miss you as much as I miss my Dad. I've grown up having the two best Dad's anyone could have. Though no direct relation, you have always been my second father, along with Mom 2. Have fun with George, and don't smoke too many El Producto Blunts. You will always have a place in my sad heart. Jeff*

*“ We have known Chief Darley since 1964 & Bob has truly been a dedicated man to his family first, the fire department in which he served, as well as the community. As maintenance chief, he was always on call & never complained about being called back to duty. We have also had the priviledge of being friends with he & Barbara as well as their daughter Debbie & will miss our get-togethers & sharing "old war stories" at Graves Mountain Lodge. May God bless the Darley family during this time of loss.*
