“ Mike,
We have worked together for over 17+ years and it has been a pleasure working with you. You were one of the few in my career who worked with such passion, always eager to tackle difficult jobs and last minute emergency calls while still having a great attitude. Our shared love of fishing will be missed, I enjoyed all the posts you sent and stories. I appreciate you recommended to start tying my own bass flies, you were right, not too hard if you work at it. Your last message to me was “ see you on the water”. Hope we can meet up again and catch the big ones.

“ For the past few years Mike was the "Go To" PSE electrician that handled the Herndon, Va. Closet Thrift Shop's myriad needs. Mike was always flexible, even jovial at times, and very able in his handling of whatever electrical upgrades, or re-wirings we needed. He was a real credit to his profession in all his interactions with our account.

The Closet staff, Board, and other volunteers and store customers who encountered Mike on site doing this or that always encountered his smile and gentle manner of going about his work. We will miss having him with us in the days ahead, and offer our sincere condolences to his Wife, Mom and extended family and friends.

“ In memory of Mike aka our Fluffy (his coworker nickname) a true patriot, cherished friend, and selfless coworker. Your unwavering dedication to others and your genuine kindness touched the lives of all who knew you. Your legacy of putting others before yourself will continue to inspire us. Your sudden departure has left us heartbroken. Your laughter, camaraderie, and unwavering dedication illuminated our workplace every day. Though you may be gone, your spirit and impact will continue to guide us.

PSE will never be the same without you, but I know you will be there spiritually with all of us at the A01 shop. We all worked together for years and years and it will never feel right without our fluffy. ☐😭

A day will not go by at PSE without of thinking of you ! Forever remembered and forever missed. Rest peacefully! Until we all meet again!
