“ *We will remember Bobby's sweet smile, shining eyes and beautiful skin! Collin and Aaron were always thrilled when Bobby was able to come over when we invited Ann and Rob for dinner or our annual New Years Eve party. Bobby was a sweet boy. All boy. He was bigger than his size. We are all sad about Bobby's death. We are praying for him and for Ann and Rob--you are good people, good parents. God Bless Bobby's soul and may He help you during these difficult, sad times. We love you. The Davis Family*

“ I've known Bobby and the Merritt family my entire life. Bobby was not only one of my best friends but also a brother to me growing up. There was nothing better than when Bobby would show up and surprise my brother and me. Just seeing Bobby's face instantly made me so happy. Every time Bobby walked in my front door, my entire family put what they were doing and focused their attention on him. His visits made everybody so happy.

Bobby and I always competed as kids. We were constantly having races in my front yard, and playing all kinds of sports. The many summers I spent with Bobby will always be some of the best summers I'll ever have. And I don't know how he did it but Bobby is also responsible for convincing my parents to get my dog AND my cat.

I'll never forget you walking over every time there was a snow storm and we would go visit Mrs. Maddie and Mr. Fred and they would always give us lollipops. I'll never forget playing with Captain and Suzy everyday while we waited for the bus. I'll never forget your expression when I walked into the kitchen and you were standing there and we didn't even speak I just gave you a hug.

Bobby you will never be forgotten and you will be greatly missed by everybody. I'll always remember all the great memories we made together. I love you buddy. We'll race again when I get up there with you. Rest in peace man.

*“ Our hearts go out to the entire Merritt family as they work through the pain of losing Bobby. We met Bobby many years ago when he and Rob were living in Prospect Bay. Bobby was a fun loving happy child and that will always be our memory of him. Though he was on this earth but a brief time, he made many friends and will be missed by all who knew him. Rest in peace.
