“ I just finished watching the video and it told so much more than I knew about this awesome couple, the Morgans. I spent time with them during our church's 1992 trip to the holy land. The leaders planned to waste a day shopping and to the pleasure of those non-shoppers among us, Robert led the effort for us to go to Masada instead. What a great way to spend the day! Robert and Rose were so down-to-earth and just pleasant people to be around. Rose and Family, I am so sorry for your loss but you were blessed to have Robert in your life.

“ I remember General Morgan when he was PM PLRS/ADDS. I was the CACDA Action Officer for PLRS/PLRS JTIDS Hybrid from 1980-84. Bob Morgan was a terrific Program Manager. The system he built was still in use decades later. It was a privilege to know him and work with him. My sincere condolences to his family.
