SUCH a beautiful man. I cannot express how sad this makes me. So fortunate that I was able to spend some time with someone of this caliber.

“ *MG Ret Robert Nabors was a gentle giant. He was a mentor to me and a great role model. My fondest memories of MG Nabors was to listen to him as a presenter or to see him with his family and how much he loved his wife and family. This was nice to see. My deepest sympathy and prayers for healing or sent for his family.

So long my dear master, thank you for taking care of me, until we meet again. Bubbles - September 17, 2018 at 12:00 AM

“ In tribute to our next door neighbor Bob, from The Cicala's (Anthony, Thao, and Tommy) - Bob, we didn't know you that long, having only moved to our home on Easter weekend in 2017, but we were proud and thankful to know you. You were the perfect gentleman, a terrific neighbor, and I very much enjoyed and will dearly miss your terrific sense of humor. As a life long civilian employee of the Department of Defense, it was an honor residing next to a retired flag officer. Thank you for your kindness and generosity in welcoming us to the pipe stem and neighborhood, and may God welcome you into his kingdom of heaven now and forever more.

RQ

“ *Believe*

Believe in Four Things.....

- Believe in Almighty God and from this source draw strength.

- Believe in the timeless principles inspired by our founding fathers, as eloquently expressed in the Declaration of Independences, the Constitution of the United States, and the Gettysburg Address--- and affirmed on a hundred battlefields in the life's blood of those who have come before.

- Believe in the enduring love and support of your family knowing that without your family, few things would be possible; but nothing would be meaningful.

- But as importantly as the others, Believe in yourself. While you should fully appreciate the great challenges which are inherent in life, you should not be daunted by them.
