“ Well Daddy, it has taken me awhile to be able to say good-bye. Thank-you for all the memories. Most of them make me smile. I'm so lucky that my children will carry on your sense of humor. I'm sorry that I couldn't be there for all the times that I should have and for not being able to do more for you. I did and do love you and always will. And because I believe our lifetime is just a blink in God's time, to quote a favorite song of mine "save a place for me, save some grace for me, I'll be there soon.....I'll be there soon. ~Jessie Mae~

“ I first met you a bit over 49 years ago and from the beginning I felt at home in your presence. Then just a bit less than 49 years ago, I married your oldest daughter, what a gift she has been to me. There were none who thought you would let me marry her but you welcomed me into your family and called me "Son" from the start. You were always there to love us, for us to talk to, always the gentleman and a father to all of us. I will always remember all the talents you had, all the love you gave and the way you were always there for all of us. Someday, we will meet again on the other side and I look forward to singing in God's Holy Choir with you as all of your friends make the music with your heavenly instruments for us to follow. You may not be here in person but you will always be here in our hearts and in our spirits. You will always be loved and we know Mom is rejoicing in your joining her up there.

“ We sure are going to miss you Grandpa. You have always been there all these years. we will miss your jokes, your teasing, and all the songs you have played for us. I know you are happy in Heaven with Grandma, but it sure has been hard to say goodbye. I was having a really tough time until you tapped me on the shoulder and sent me that blueberry smell. I am realizing that your not gone, you will all ways be here in my heart with me and watching over us. we love you and we will see you and Grandma again someday.

“ Mr. Scott, How the years have gone by. It's been 32 years since you and Mrs. Scott welcomed us to the "neighborhood". I remember you, Helen, Mae and Morris sitting outside talking, how Franconia had changed. It's going to be so quiet in the summer, no more listening to you pick and sing into the night. We will miss you Mr. Scott, but you are back with Mrs. Scott and all your friends that have passed. We will all miss you and your stories. You were Steven and Stacey's "other" Grandpa. Always there to help.

“ How the time goes by. Was shocked when I found out of your passing. Fond memories of the Scott compound (Grand daddy Scott and your house)as a kid. I enjoyed all the stories and you were an awesome guitar player. Every time I see a Rambler I think of you and Grand daddy. RIP and we will all see you in a little bit.

“ *Rest in peace Uncle Bobby you will be missed by all. Now you can play your guitar and sing with the angels. I truly miss the summer nights on the back step listening to all the Scotts singing and playing their guitars and other instruments. It truly is one of my fondest childhood memories.*
