“ *Discovered Robert's passing a few minutes ago. I'm deeply saddened to learn of his death. I knew him from maybe 1978 until he married Manir. We dated off/on for 7 years ... we were good friends nothing more I loved him as a very special friend he was so good to me always as I'm sure he was to all he knew. We enjoyed many times/activities together. I always enjoyed spending time with Robert. He always made me feel comfortable. We could talk about anything. He was one of the most incredibly thoughtful men I ever met. Manir was lucky to have had such a wonderful husband and he her, I'm sure. God be with all his loved ones. God take care of Robert. He was Very Special.*

“ *It is very sad to hear of Robert's passing. He was well-liked and respected at the FAA where we worked. He often helped out with donations for Combined Federal Campaign fund-raisers, and I appreciated that. He was also active with the AFGE union. We will miss him very much. May God comfort his family and friends.*

“ *I worked with Robert for the FAA, he was a Federal Government employee & I was a contractor. Robert was great regular guy who had a good sense of humor. We worked very well together on critical systems until Robert retired. I knew Robert for 5 or 6 years and I am extremely saddened at his passing. I know he is in a much better place now, up there with the angels.*
