“ *Where do I begin? Bob took me under his wings as a teenager and taught me how to fish. He taught me a whole lot more also! He and Mary Ann always had an open door for me and I enjoyed our friendship.*

Today, I am thankful for seeing Bob and Mary Ann, for the first time in about 25 years, just last month. The reconnect was special for both Bob and me. We talked family, work and of course, fishing. Oh, how that man loved to fish.

Now, some 25 years removed, as life brought me to beautiful southwest Virginia, I can cherish the memories of being just a hundred yards from my "best fishing buddy!"

To Mary Ann, Cheri, and Carol, and your families, I'm so sorry I will not be able to attend the services, but know that my heart is with all of you and thank you for sharing your husband and dad with me during those years.

“ Bob or Whitey as we sometimes called him was a great friend, mentor, family man, and fisherman. We fished with and against each other for more than 30 years. He had a way of speaking his mind and asking you for your opinion all at the same time. Some of my fondest memories were riding to tournaments, hearing him ask me at the weigh-in if I had my limit, and talking about family. His wonderful words of comfort when my mom passed were said with honesty and a genuine care for what I was going through. He loved the kids fishing derby's and always had something funny to say. I am deeply saddened by his passing and to Mary Ann, from all the Potomac Bassmasters, we share in your grief.

“ So sorry to here of Bob's passing. A good man with a good heart. We spent many hours together in a boat and he could slow roll a spinnerbait with the best. RIP my friend, you will be missed.

“ Rest in peace Bob. Condolences to your family. He was truly a real gentleman and a great sportsman. He will be missed. I will miss him telling me to go back to PA because the rock fish stopped biting when I arrived on the Potomac. We are all better for having known him.
