“ *Like everyone, I was very sorry to hear that Roger had recently passed away. I have been in Arlington Village for over 25 years and he was always someone I could depend upon to assist/resolve the gazillion little items that unit owners need help with. Some times, when I'd asked for support many times in a row - he'd sarcastically say 'what to you want' and then flash his smile! He had a good sense of humor, as well. He will be missed!  
My condolences to the family.*

“ When my Dad JK died ,who was uncle to my cousin Debbie. They were were so supportive to me and my son Michael we stayed at their home and we all went together to the ceremony at Arlington where my Dad and Mom are both at. You could always talk to them both they were just the best people I have ever known. A match made in heaven they were just so perfect, I was so happy that my cousin Debbie found her soul mate in her life. RIP Roger with everyone there (JK & Chris ) and everyone else.

“ Roger was a go-to man at Arlington Village. He was always there for residents when needed. He was part of what I thought helped put the "village" in Arlington Village. I have been a resident at AV for 25 years. It was particularly painful to see old time staff leave. And it was painful to hear of his passing. He was a good man.

“ I have known Roger for 10 years, since I owned at Arlington Village.  
Always helpful, kind, thoughtful, responsive, down to earth,  
understanding, patient, friendly and competent. It was always  
comforting to see him on the property and to work with him. He has  
been missed. My very best to his family, Carol Tilley

“ I am so sad to hear of Roger's passing. His work and leadership at  
Arlington Village was one of the things that made the Village such a  
wonderful and caring community. Roger always gave his help  
cheerfully and never made you feel like you were a burden or  
asking a stupid question. He will be greatly missed.

“ I was so sad to hear about Roger's passing. As a former Arlington  
Village resident, I counted on him for help with so many things for  
me, and later with my tenants. He went way above and beyond and  
was always helpful, reliable, and kind. A huge loss for the AV  
community. He will be remembered quite fondly. Rest in peace. -

“ Roger was one of the gentlest and kindest people I have ever met. He went out of his way to help you, and do things that were beyond the scope of his job I always felt Arlington Villagers were in the best of hands with him. He will be remembered with fondness and affection by many of us here in Arlington Village. Julie Springer
