“ *I met "Smokey" years ago at the Franconia Bingo. My daughter and I were at the Bingo, it was my first time there. There seemed to no seats available. Smokey saw us searching, and being the sweet person he was made room where he was and said sit here. He even explained what a postage stamp was to me. I was a real green Bingo player. I learned of his passing at the Firehouse, where I first met him. He will surely be missed by his Bingo freinds. "Smokey" a ray of sunshine always.*

“ *To Gwen, Glen and Trevor, My sympathy to you and to all who loved him. I will always remember Ronald as a happy go lucky guy. He was my cousin and we shared many childhood family memories. When stopping by King's Drugstore in East Providence, we could always be assured of a large ice cream cone when Ron was at the counter. I will keep him in my prayers.*
