“ *Ronnie, I am so very saddened to hear about your son. I went to Edison with you and remember the tragic death of your brother Jimmy and then your sister. We didn't know each other too well, but I always thought about you thru the years, knowing you faced so much loss during your young life. With the loss of your son, the sorrow must be horrendous. Please know that you are remembered and that people you never imagined remembered or cared about you from way back when, do care and are asking that god provide you with peace and comfort during this time.*

“ I grew up as a friend of Alexis Mills since elementary and had the grace of being a neighbor of the Mills. I really was never close with Ronnie however I kicked with him around the neighborhood and occasionally with his sister. I remember him always being full of life, smart, and he would do any thing for his sisters and family. He's the definition of What an older brother should be. May his sole rest in peace and I extend my absolute deepest condolences to Alexis Mills and her family
