“ You can write a book about this uniquely beautiful and special girl from "back the bridge" in Lackawanna NY. All the places she visited and lived, all the roles she played and the incredible challenges she faced, and most importantly all the lives she touched with her incredible smile and ability to make those around her feel important and special.

I am so grateful for all she did for me, helping me set up my home in New Jersey when I was young and naive, keeping me company when I didn't know anyone, and especially for serving as my rehabilitation nurse when they left me on her doorstep after my cycling accident all broken and torn up.

Family was always very important to her and Uncle Bob, and we always enjoyed when we could get together and share stories and fellowship. She raised a beautiful family and I know she is in a better place now reunited with Uncle Bob and the rest of our family in heaven.

Thank you Aunt Rose! We love you and will miss you. Rest in Peace!

“ *With deepest sympathies to Rose’s family. I always enjoyed seeing Rose at the 7:30 Mass at St. Lawrence Catholic Church. She always had a smile and a kind word.*
