June 8, 1946 - April 1, 2025

Roy Lee Cameron, a beloved father, veteran, and friend, passed away peacefully on April 1, 2025, in Williamsburg, Virginia, at the age of 78 due to natural causes alongside his wife, daughter and niece. He was born on June 8, 1946, in Loudon County, to Elwood Cameron and Frances Collyer, who instilled in him the values of hard work and kindness that he carried throughout his life.

Roy was a proud Marine, having served his country with honor and dedication. His time in the military shaped him into the outgoing and spirited individual he became, always ready with a joke or a story to lighten the mood. After his service, he returned to Virginia, where he built a fulfilling career in the concrete industry, then ultimately retiring from Robinson Terminal, leaving behind a legacy of hard work and commitment.

Roy's vibrant personality drew people to him wherever he went. He had an incredible ability to make friends, often leaving a trail of laughter and joy in his wake. His love for telling jokes, coupled with his passion for football, wrestling and food, made him a delightful companion and a cherished presence in the lives of those who knew him.

He is preceded in death by his parents Elwood Cameron and Frances Collyer, siblings, Betty Sauer, Billy Cameron, Jimmy Collyer and Susan Embrey who

will surely greet him with open arms in the afterlife. Roy is survived by his loving wife Linda Cameron and daughter Michelle Cameron, sisters Joyce, Linda, Shirley, Brenda and Martha who will forever carry his spirit in their hearts. His love was a guiding light in their lives, and his legacy of caring and humor will live on through them.

“ *I worked with Roy at Robinson Terminal from 1986 until 2011. He showed me some of the in and outs running large machinery. He even bought me a coffee or two during that time. He always worked well with others and I enjoyed working with him as a team whenever the need arose. Some of my fond memories was after we both retired and he would show up at Wal-Mart in Dumfries, VA., where I worked part time, and follow me around and talk about the good ole days. In my book, Roy was good people! RIP, pal.*
