“Ruth was always smiling and ready to help. We were honored to have her as the Office Assistant for almost two years starting December 2012. She was dedicated and our go-to person to get any office-related things done. We kept in touch after she started her treatment, and she visited several times our office since. People in the office joined for pizza lunch during her visit. We talked about small things, shared news and happiness of her recovery. It is hard to see her go. Ruth, you will be forever missed.
