“ *Major Hansen Sir . . . you were my supply officer back in Miramar while i served at my first duty station. You were funny, you were a teacher, you were a leader, and you were a friend. You were a great mentor and guide for me too, especially after we all lost our friend Gunny C. It was an honor to see you again while in Quantico just to catch up too. I will always be grateful for the service, friendship and courage you gave to me. I will never forget you either. Please continue to rest in peace Sir and Semper Fidelis. For those that I cannot tag to remember our friend and fellow Marine please continue to pass this on.*
