

Samuel Thomas Francisco

October 10, 1988 - August 8, 2025

Samuel Thomas Francsico
aka "Sam" or "Sammio"

Samuel was born on a Monday morning, October 10, 1988 in Seoul, South Korea. He started out shy, but would later make up for it by reaching out to many others and talking up a storm. He was a very happy Military Brat. He graduated from Engleside Christian School and afterwards attended Bible College for 2 years. He held many jobs from sales associate to fast food. He enjoyed listening to Classical, Russian, and Portuguese music, reading, history and languages. Sam loved JESUS and accepted JESUS as his personal Savior and shared his faith with others. He also prayed about and shared his battle with bipolar disorder (mania) for over a decade, from denial to acceptance. In his last counseling session with his social worker he said he felt very loved by his family and friends and loved them very much. He really liked giving gifts, even when it meant him going without. He was a care giver, looking after his younger brother and planned on looking after his parents when they aged. He attended International Calvary Church, The Falls Church Anglican and several other churches. He is survived by his father Donald Paul Francisco, his mother Grace Kang Francisco and his brother Jonathan Kenneth Francisco. Sam himself, was a gift to many and the greatest blessing is knowing that God's gifts don't have an expiration date. He will be remembered as an energetic, fun and loving son, brother and friend.

“ I never got to meet Samuel, but I do know that you talk about him and Jonathan often. All kids should have a father as loving as you. My heart aches for your loss, but I know you, Grace and Jonathan will meet Samuel again when the time is right. Of that much I am sure. He is surely watching over all of you. Our condolences from our entire family.

“ Sammy, I had things to say when you come visit me with your mom after I move to TX. I had plans for you that I haven't said. You've gone too soon. I will never have the chance to see and talk with you. Although I dearly miss you, we will see you again at the second coming of Jesus Christ. Being unable to see you is only temporary. I didn't know how much you were a big part of my life since you've left.

“ Sam was the first student Ethan and I met at ECS, the night he shared an amusing speech during an Open House. Later, when I began teaching science there, Sam blessed me by saying I had made science “come alive.” We will always remember his warm personality and ever present box of cheese crackers! Much love, Mrs Fred. 💜🙏🏻✝️
