“ *Sheri and Susan - There are no words that I can write to tell you both how much your Mom has meant to me all these years. Her friendship was something that lifted me up and allowed me to go forward with my life. Here is a list of just some of the things that I am grateful to Sandy for:*

- 1) Knowing you both and watching you grow into the beautiful, strong and capable women that you are.*
- 2) Allowing Cristine to be her third daughter for a time. She was always happy to be with all of you.*
- 3) Having a reserved parking place in front of 6826 Vantage Dr. anytime I needed it.*
- 4) 4th of July cookouts and swimming and later, the fireworks at Lee District Park. (No glass bottles on the pool deck please!)*
- 5) Allowing me to slip into the house at night after a date and whisk little Cristine off the couch where she and Wayne were snoring away*
- 6) Allowing me to become a part of your family*

Sandy:

Thank you for the friendship you offered to me. Please know that I will treasure it and you in my heart forever. I will always have the memory that once in my life, I knew someone like you.

Much love always,

Claire

“ *Sheri and Susan. So sorry for the passing of your Mom. She was my first cousin. Your grandmother Virginia and my father Tony were brother and sister. Your Mom extended much kindness to me when I graduated from WVU by allowing me to stay at your house while I was job searching and even after I found a job! I liked her a lot and thought she was a giving and kind person. May her stairway to heaven be an easy climb!*

*With sympathy and regards during this sad time,
Deborah*
