“ *Dear Bob and Fred, please accept my condolences on the loss of your mother, Sandy. I fondly remember the time, about 18 years ago, that I came to visit your dad and mom with my 2 daughters. They then helped us navigate into Washington DC into Pentagon City where I was to stay for a conference. I don't think I would have found it without their help. My father, Joseph Falcon Sr., has been deceased for many years, but that is how I am related to Sandy. I am sorry for your loss.*

Respectfully,

Renee Falcon Wilson and family

PS... please accept condolences on the loss of your father also. I was unaware that he too had passed. May they both rest in peace.
