

## Sean Tristan Garrick

November 9, 2004 - October 30, 2024

Sean Tristan Garrick was born on November 9, 2004 at Skagit Valley Hospital in Mt. Vernon, WA. The son of a military family, he lived in Burlington, WA; Stuttgart, Germany; Anacortes, WA; Yokosuka, Japan; London, England; Great Lakes, IL; and Fairfax Station, VA. He graduated from James W. Robinson, Jr., Secondary School with honors and the IB diploma in 2023. In the fall of 2023, he enrolled at Virginia Tech, where he was pursuing a degree in aerospace engineering. He loved gaming on-line with his friends, weightlifting, rock climbing, food of all kinds (especially sushi and sweet potato biscuits), his family, and his dog, Autumn. He passed away peacefully at home, surrounded by family, on the morning of October 30, 2024. Sean is survived by his parents, Michael and Nadia Garrick, his sister, Morgane Garrick, his grandparents, Mary Stewart Garrick, John and Patricia Garrick, and Madeleine Baumgartner. He is also survived by his aunts and uncles, Kate Garrick and Scott Korb, Magali and Patrick Merz, Caroline and Serge Treguer, and his cousins Walker Korb, Alice and Eva Merz, and Charlotte and Emilie Treguer.

In lieu of flowers, Sean, who received dozens of transfusions in the course of his treatment at NIH, requested that those who are able donate blood. Alternatively, donations can be made in his name to the Children's Inn at NIH. (<https://give.childrensinn.org/give/329874/#!/donation/checkout>)

“ *Nadia, I am so very sorry. My heart hurts to hear of you and your family's great loss. Even though I never met Sean, just knowing how incredible you are, there's no doubt your young man has been just as incredible to those around him and the world as a whole. I pray that even though Sean may no longer be on this earth, that his presence may be felt through all that knew him and even those who didn't. Please reach out to us if there is anything your family needs or anything we can do to help. Praying more today for your family, than ever before. May God continue to guide and strengthen all of you.*

“ Nadia, Michael, and Morgane,

*It is with the heaviest of hearts that we send our deepest sympathies to all of you. We know your hearts are broken and we hope that you will be gentle with yourselves and with each other as you grieve. While we know that your memories of Sean aren't the same, we hope that with time, as you reflect, those memories may bring a small smile upon your face, and some comfort back into your hearts. We remember this game, and we remember, even while they were both so little, Sean and Aeden were bantering back and forth like a couple of old baseball pros. This is how we will remember Sean, having fun, spirited, and resolute. We're sending you strength, courage, faith, and much love, now and always.*

“ *La vie est faite de petites joies mais parfois aussi de grandes peines. Celle qui vous frappe est incommensurable car il n'y a rien de pire que de perdre un enfant et surtout à cet âge. Dans ces moments difficiles, les mots sont souvent vains. Nous tenions toutefois à vous témoigner notre profond soutien.*
