“ I am sorry to hear about the loss of your son, Sean. I worked with Sean over the last 5 years and it was always a pleasure to chat with him. Always a cheery smile. I was glad to see he was corageous and spirited enough to take off of work for 3 months and take the bike trip out west. I was also hapy for him when he bought his new home in Front Royal. He loved the country side out there; even though it meant a long long commute. He will be in our hearts forever. My thoughts are with you at this time of deep sorrow.

“ *McGinty Family, I am deeply saddened for your loss. Sean was often the first person I saw in the morning and he always had a laugh and a smile for me. It was always a pleasure to share his company and I am privileged to have worked with him. I will always remember his quick wit, disarming laugh, and giant smile. If there is anything my family and I can do, or our Capitol family, please don't hesitate to contact me. My thoughts and prayers are with you and thank you for sharing Sean with me, he will always be remembered in our hearts.*

“ Dear Mcginty family, I was so shocked and sad to hear of Sean's sudden death. Sean was such a wonderful young man and it must be so difficult to come to terms with the fact he died so suddenly. Sean, you will be missed by me (the old man), Chung, and the rest of our color team. With my deepest sympathy.

“ McGinty family, Ahhh Sean.... I graduated from Edison Highschool a year behind him. I always remember seeing him alot in the mid to late nineties at Fast Eddies he was close to my best friend. They talked quite often. He always had a smile on his face. He was very positive, cheerful and fun to be around. He had a great sence of humour and outlook on life.. He will be sorely missed...and fondly remembered..God bless him and his family...I will keep him in my prayers...Cara Anderson-Riley

“ I didn't often see Sean during our workdays at COS. However, when we did cross paths, I always remember him smiling. He seemed to always take things in stride and didn't allow the negativity, that many of us fall victim to in our adult years, to overcome his love of life! Though it will be hard, I will try to always smile when thinking of him as a tribute to his cheerful and kindhearted persona. I will not sulk, for if he were here he would probably make fun of me for doing so. Godspeed Sean, and thank you.

“ I was so saddened to receive the notice about Sean from a friend. I had tried to get baxk in touch a couple of times since high school, but should have tried a bit more. Sean will always be remembered in my mind as the goofy guy I knew in middle and high school, a great buddy who always pushed the limit and made me laugh. He was absolutely my best friend for years, and I have just a ton of fond memories of him. He will be missed. I hope that the family is doing OK.

“ Sean's Family and Friends, I miss Sean already. When he would come by dataDisc in Front Royal not only would we get our printer problems solved but Sean would lift our spirits. He was open, honest and happy, unafraid to poke fun at us and with us. Over the years many fellows have come by to assist us but I think I'll miss Sean the most. God bless you and know that I mourn with you. Al Foster EVP / General Mgr dataDisc, Inc.

“ Sean was the closest thing to "the big brother I never had" growing up. I learned a lot from him. The things you don't realize until you're all grown up (or at least, as close as I'll ever get to being there). I wish I had told him that. I'm thankful he was in my life. Love you all, Aunt Cookie, Brian, Mac, My Mom and all those Sean touched.

May god bless his soul. My deepest sympathy for the McGinty family. Sincerely, Reggie Aggarwal
