“ *Dear Lance and Amanda, I was saddened to hear of the death of your mother. I have fond memories of her when she worked in the main office of Hayfield Secondary School. I was the PTSA president and in the office quite frequently. She always had a smile on her face and cared for all the students and parents there. We often talked about Pittsburgh as we were both from that area. I'm sorry to have missed the visitation and service at Arlington. She was a dear person who made a difference in the lives of all who knew her. Sincerely, Jan McKeever Hayfield Farm, Alexandria, VA*

“ *Dear Lance & Amanda: We are so sorry for the passing of your mom. We loved her dearly. She was a great friend. The memories of the wonderful times we had together will be with us forever. She adored the both of you and told me time and time again how thankful and blessed she was to have such wonderful, caring children. She will be missed tremendously, but she will be in our hearts forever.*
