“ *I was fortunate to be a student of Mr. Levitan @ Lafayette H.S. in Brooklyn N.Y. in the early to mid- 1950's. It was an honor to have Mr. Levitan as a French teacher. Besides teaching me French, Mr Levitan gave me and my classmates advice on good French restaurants in Manhattan, which we followed up on. The classes were extra special for me because I was on the program committee and made sure the classes were relatively small and had a large majority of female students. Au revoir, a bientot Joel H.
